

RAGBRAI

Register's Annual Great Bicycle Ride Across Iowa

These are pictures of our winter RAGBRAI. Participants, including residents and staff, rode across Iowa by keeping track of our miles and time spent pedaling. Corporate matched our miles with dollars and we earned \$250 toward purchasing musical instruments for a local elementary school. These instruments will replace instruments that were lost in the 2008 flood.

We recently replaced the Iowa map with a USA map because the residents love pedaling with a purpose. We have decided to continue our trek across the USA!
